

# Webblon® Coast Line PLUS®

62" wide / 15 oz. per square yard (weight varies slightly from color to color)

Coastline Plus® awning fabric is a high performance PVC composite that features a strong polyester base fabric. The top surface is treated with the Rain Kleen® finish for color retention and prolonged fabric life. Coastline Plus® is UV, water, and mildew resistant, and is backed by a 5-year limited warranty.

Coastline Plus is available in solids, complement solids, linen-backed solids and select stripe patterns. It is extra strong, with manageable weight for superior resistance to sag and stretch.

Flame resistance meets or exceeds the standards of California State Fire Marshal, NFPA -701 TM2, and ASTM E-84 Class A flame spread.
